

## **Privacy Policy Statement**

Pacific Basin respects and is committed to protect your personal data. Our privacy statement reflects current global principles and standards on handling personal data by Pacific Basin Shipping Limited and its subsidiaries and affiliates (collectively, “Pacific Basin”) with respect to the collection, use, security, retention and controls of personal data (the “Policy”).

### **1. Collection of Personal Data**

From time to time, we may collect your personal data to provide our services to you or response to your requests or inquiries. The personal data collected may include your name, your email address and other relevant contact information as well as other data relevant for the use of our services. We may also collect personal data through your use of this website. Such data is used to track and analyse the usage of our website. We will not use your personal data for marketing purposes without your express prior consent hereto.

### **2. Use of Personal Data**

Pacific Basin collects your personal data for the purpose of providing you with our services, response to your requests or inquiries, gain an understanding of your business needs, to perform statistical analysis, analysis of website usage or customer requirements; and to provide you with information or materials about Pacific Basin.

Pacific Basin will not disclose your personal data outside Pacific Basin unless we have your consent or when required to do so by law in response to requests from law enforcement agencies or other government and regulatory authorities.

### **3. Personal Data Security**

Pacific Basin has put in place appropriate physical, electronic and managerial measures to safeguard and secure your personal data against unauthorised or accidental access, processing, erasure or other use.

### **4. Retention of Personal Data**

Pacific Basin will retain your personal data for a reasonable period of time to fulfil the purpose for which the data was collected or comply with the relevant rules and regulations. Personal data which is no longer required will be destroyed.

### **5. Controls of Personal Data**

If at any stage you would like to check, remove or amend the information held by us about you, please contact us via [this link](#). We will take the necessary action within a reasonable time; however you may receive communications for a transitional period whilst we process your request.

We may change this Privacy Policy Statement from time to time. We encourage you to check this Privacy Policy Statement occasionally to ensure that you are aware of the most recent version.
