The Company announces that on 31 October 2019 (after trading hours of the Stock Exchange) the Company as guarantor and the Issuer (a wholly-owned subsidiary of the Company) have entered into the Subscription Agreement with the Joint Lead Managers in connection with the issue by the Issuer of the Convertible Bonds in an aggregate principal amount of US\$175 million (approximately HK\$1,371 million). The Convertible Bonds are convertible in the circumstances set out therein into ordinary shares of US\$0.01 each in the share capital of the Company at an initial conversion price of HK\$2.40 (subject to adjustment). The payment obligations of the Issuer and the due performance by the Issuer of its obligations under the terms and conditions of the Convertible Bonds and the Trust Deed will be guaranteed by the Company.

The initial Conversion Price is HK\$2.40 per Share, representing a premium of 31.87% over the closing price of the Shares quoted on the Stock Exchange on 31 October 2019 being the date on which the Subscription Agreement was signed. Assuming full conversion of the Convertible Bonds at the initial Conversion Price of HK\$2.40 per Share, the Convertible Bonds will be convertible into approximately 571,382,291 Shares (subject to adjustment), representing approximately 12.26% of the issued share capital of the Company as at the date of this announcement and approximately 10.92% of the issued share capital of the Company as enlarged by the issue of the Conversion Shares.

The Bondholders will have the right to convert all or some of their Convertible Bonds into Shares at any time on or after 20 January 2020 up to 30 November 2025. Unless previously purchased and cancelled, redeemed or converted, the Convertible Bonds will be redeemed at 100% of their principal amount on the Maturity Date.

The estimated net proceeds from the Bond Issue, after deduction of commission and expenses, amount to approximately US\$173.4 million. The proceeds are currently intended to be used by the Company to fund the expansion and renewal of its fleet of Handysize and Supramax vessels (including the Agreed Purchases) as well as for general corporate purposes.

Applications will be made for (i) the listing of the Convertible Bonds on the Stock Exchange as selectively marketed securities; and (ii) the listing of, and permission to deal in, the Conversion Shares on the Stock Exchange. The Convertible Bonds will be traded over-the-counter through Euroclear and Clearstream and will not be traded on the Stock Exchange.

The Conversion Shares will be allotted and issued by the Company pursuant to a mandate to be approved by the Shareholders at the SGM, which will be held, to consider and if thought fit, to pass resolutions to approve the Subscription Agreement and the transactions contemplated thereunder, including the Bond Issue and the issue of the Conversion Shares, pursuant to the Specific Mandate.

Completion of the Subscription Agreement is subject to the satisfaction and/or waiver of the conditions precedent therein. In addition, the Subscription Agreement may be terminated in certain circumstances. Please refer to the paragraph headed “THE SUBSCRIPTION AGREEMENT” below for further information.

As the Subscription Agreement may or may not complete, the Convertible Bonds may or may not be issued and/or the Conversion Shares may or may not be listed on the Stock Exchange, Shareholders and potential investors are advised to exercise caution when dealing in the Shares.

A circular containing, among other things, further details of the Subscription Agreement, the Bond Issue and the Specific Mandate, together with the notice of the SGM, will be despatched to the Shareholders as soon as practicable.

- Stabilisation activities:
- The Joint Lead Managers may, to the extent permitted by applicable laws, over-allot and effect transactions with a view to supporting the market price of the Convertible Bonds at a level higher than that which might otherwise prevail. The Joint Lead Managers will conduct any such stabilisation activities in accordance with applicable laws and regulations.

Conditions precedent:

The obligations of the Joint Lead Managers to subscribe and pay for the Convertible Bonds are subject to, among others, the following conditions precedent:

8. non-occurrence at the Closing Date of any change, or any development or event reasonably likely to involve a change, in the condition (financial or other), operations, business or properties of the Issuer, the Company or the Group, which, in the reasonable opinion of the Joint Lead Managers after good faith consultation with the Group, is material and adverse and which makes it, in the reasonable opinion of the Joint Lead Managers after good faith consultation with the Group, impracticable to market the Convertible Bonds on the terms and in the manner contemplated herein.

If any of the foregoing conditions is not satisfied, the Subscription Agreement shall be terminated and the parties thereto shall (subject to the certain provisions of the Subscription Agreement) be released and discharged from their respective obligations thereunder, provided that the Joint Lead Managers, may at their discretion and upon such terms as they think fit, waive compliance with the whole or any part of the conditions precedent.

As at the date of this announcement, all the above conditions precedent to the completion of the Subscription Agreement were yet to be satisfied and/or (as the case may be) waived.

Termination: The Joint Lead Managers may, at any time prior to payment of the net subscription monies for the Convertible Bonds to the Issuer, terminate the Subscription Agreement upon the occurrence of certain circumstances which include, amongst other things, in the opinion of the Joint Lead Managers there shall have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange, the NASDAQ Stock Market, Inc., the London Stock Exchange plc and/or the Stock Exchange; (ii) a suspension or material limitation in trading in the Company's securities or the Shares on the Stock Exchange; (iii) a general moratorium on commercial banking activities in New York, London, Hong Kong, Singapore, the European Union or the People's Republic of China declared by the relevant authorities, or a material disruption in commercial banking or securities settlement or clearance services in the United States, the United Kingdom, Hong Kong, Singapore, the European Union or the People's Republic of China; (iv) a change or development involving a prospective change in taxation in the British Virgin Islands, Bermuda or Hong Kong affecting the Issuer, the Company, the Shares or the Convertible Bonds or the transfer thereof; (v) the outbreak or escalation of hostilities involving the United States, the United Kingdom, Hong Kong, Singapore, the European Union or the People's Republic of China or the declaration by the United States, the United Kingdom, Hong Kong, Singapore, the European Union or the People's Republic of China of a national emergency or war; or (vi) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions or currency exchange rates or controls, if the effect of any such event specified in part (v) or (vi) above, in the opinion of the Joint Lead Managers, after good faith consultation with the Group, makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Convertible Bonds being delivered at such time on the terms and in the manner to be contemplated in the Offering Circular.

PRINCIPAL TERMS OF THE CONVERTIBLE BONDS

The principal terms of the Convertible Bonds, which will be constituted by the Trust Deed to be entered into between the Issuer, the Company and the Trustee, are summarised as follows:

Issuer:	PB Issuer (No.5) Limited, a company incorporated with limited liability in the British Virgin Islands, which is a wholly-owned subsidiary of the Company.
Guarantor:	The Company.
Principal amount:	The aggregate principal amount of the Convertible Bonds will be US\$175 million (approximately HK\$1,371 million).
Issue and Redemption Price:	100% of the principal amount of the Convertible Bonds.

Conversion Price:

The Convertible Bonds will be convertible into Shares at an initial Conversion price of HK\$2.40 per Share. The initial Conversion Price at HK\$2.40 per Share represents (i) a premium of 31.87% to the closing price of HK\$1.82 per Share as quoted on the Stock Exchange on 31 October 2019, being the date of the Subscription Agreement; (ii) a premium of 36.36% to the 5-day average closing price of the Shares as quoted on the Stock Exchange for the five Trading Days immediately prior to the date of the Subscription Agreement of HK\$1.76; and (iii) a premium of 39.53% to the 10-day average closing price of the Shares as quoted on the Stock Exchange for the ten Trading Days immediately prior to the date of the Subscription Agreement of HK\$1.72.

The initial Conversion Price at HK\$2.40 per Share was determined after arm's length negotiations between the Issuer, the Company and the Joint Lead Managers after taking into account of the historical performance of the market price of the Shares, including the 5-day average closing price of HK\$1.76 per Share as quoted on the Stock Exchange for the five Trading Days immediately prior to the date of the Subscription Agreement.

Adjustments to the Conversion Price:

The Conversion Price will be adjusted in accordance with relevant provisions under the terms of the Convertible Bonds upon occurrence of the following events:

- (i) alteration to the nominal value of the Shares as a result of consolidation, subdivision or reclassification;
- (ii) issue of Shares by the Company by way of capitalisation of profits or reserves (including Shares paid up out of distributable profits or reserves and/or share premium account issued), other than Shares issued in lieu of a cash dividend;
- (iii) payment or making of any capital distribution (including dividend payment) to the Shareholders by the Company;
- (iv) issue of Shares by the Company to the Shareholders by way of rights, or issue or grant by the Company to the Shareholders any options, warrants or other rights to subscribe for or purchase any Shares, in each case at less than 95% of the current market price per Share on the date of the announcement of the terms of such issue or grant;
- (v) issue of other securities by the Company to the Shareholders by way of rights, or issue or grant by the Company to the Shareholders any options, warrants or other rights to subscribe for, purchase or acquire such securities;
- (vi) issue of Shares by the Company (wholly for cash or for no consideration), or issue or grant by the Company (wholly for cash or for no consideration) any options, warrants or other rights to subscribe for, purchase or acquire any Shares, in each case at less than 95% of the current market price per Share on the date of announcement of the terms of such issue;
- (vii) issue of other securities by any member of the Group or (at the direction or request of or pursuant to any arrangements with any member of the Group) any other company which by their terms of issue carry rights of conversion into, or exchange or subscription for, Shares upon conversion, exchange or subscription at less than 95% of the current market price per Share on the date of announcement of the terms of such securities;
- (viii) modification of rights of conversion, exchange or subscription attaching to any such securities as mentioned in subparagraph (vii) above (other than in accordance with the terms thereof) so that the consideration per Share (for the number of Shares available on conversion, exchange or subscription following such modification) is less than 95% of the current market price on the date of announcement of the proposals for such modification;

- (ix) sale or distribution of any securities by any member of the Group or (at the direction or request of or pursuant to any arrangements with any member of the Group) any other company in connection with which an offer pursuant to which the Shareholders are generally are entitled to participate in arrangements whereby such securities may be acquired by them; and
- (x) any other events or circumstances not referred to above as determined by the Guarantor, provided that the Guarantor shall at its own expense request an independent investment bank to determine as soon as practicable what adjustment (if any) is fair and reasonable to take account thereof, if such adjustment would result in a reduction in the Conversion Price, and the date on which such adjustment should take effect.

The Board is of the view that the inclusion of the abovementioned customary Conversion Price adjustments in the terms of the Convertible Bonds is able to provide an anti-dilution mechanism to sufficiently and reasonably protect the legitimate interest of the Bondholders.

No adjustment shall cause the Conversion Price to fall below the par value of the Shares.

Ranking of Conversion Shares: Conversion Shares will rank *pari passu* in all respects with the Shares in issue on the relevant date of registration of holders of such Shares on the register of members of the Company.

Redemption at the option of the Issuer: The Issuer may redeem the Convertible Bonds in whole, but not in part, at a redemption price equal to 100% of their principal amount together with interest accrued up to the date fixed for redemption but unpaid if at any time the aggregate principal amount of the Convertible Bonds outstanding is less than 10% of the aggregate principal amount originally issued.

If the Issuer exercises such tax redemption right, each Bondholder shall have the right to elect that its Convertible Bonds shall not be redeemed. Upon a Bondholder electing not to have its Convertible Bonds redeemed in such circumstances, any payments due after the relevant date shall be made subject to any deduction or withholding required under the laws of the British Virgin Islands, Bermuda or Hong Kong (as applicable).

Maturity:	Unless previously redeemed, converted or purchased and cancelled in the circumstances referred to in the conditions of the Convertible Bonds, the Company will redeem each Convertible Bond at 100% of its principal amount on the Maturity Date, together with accrued and unpaid interest thereon, if any.
Transferability:	Subject to the restricted period described below, the Convertible Bonds are freely transferable at any time during the period from the date on which the Bondholder is registered as the holder of the Convertible Bonds.
Restricted Transfer Period:	No transfer of the Convertible Bonds will be registered (i) during the period of seven days ending on (and including) the date for redemption at the option of the Issuer or for redemption for taxation reasons; (ii) after a notice of conversion has been delivered in respect of such Convertible Bonds; (iii) during the period of seven days ending on (and including) the date of payment of interest on such Convertible Bonds; (iv) after a notice of redemption at the option of the Bondholders has been deposited in respect of such Convertible Bonds; (v) after a notice of redemption of change of control has been deposited in respect of such Convertible Bonds; or (vi) after a notice of redemption of delisting or suspension (as the case may be) has been deposited in respect of such Convertible Bonds.
Voting Rights:	Bondholders will not have any right to attend or vote at any meeting of the Company by virtue of them being Bondholders, until and unless they have converted their Convertible Bonds into Shares.
Negative Pledge:	So long as any Convertible Bond remains outstanding, neither the Issuer nor the Company will, and will ensure that none of its subsidiaries will, create or have outstanding, any form of encumbrance, upon the whole or any part of its present or future undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness or any guarantee or indemnity in respect of any Relevant Indebtedness, without at the same time or prior thereto according to the Convertible Bonds the same security as is created or subsisting to secure any such Relevant Indebtedness, guarantee or indemnity or such other security as either (i) the Trustee shall at its absolute discretion deem not materially less beneficial to the interests of the Bondholders or (ii) shall be approved by the Bondholders by an Extraordinary Resolution (as defined in the Trust Deed).
Listing:	Application will be made for (i) the listing of the Convertible Bonds on the Stock Exchange as selectively marketed securities; and (ii) the listing of, and permission to deal in, the Conversion Shares on the Stock Exchange. The Convertible Bonds will be traded over-the-counter through Euroclear and Clearstream and will not be traded on the Stock Exchange.
Offering Circular:	The Convertible Bonds will be offered to professional investors (as defined under the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and the Securities and Futures (Professional Investor) Rules) or otherwise pursuant to another exemption set out in Schedule 17 of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Chapter 32 of the Laws of Hong Kong) and is therefore exempt from the prospectus requirements under the Companies Ordinance.

EFFECT ON THE SHARE CAPITAL OF THE COMPANY AS A RESULT OF CONVERSION

Based on the initial Conversion Price of HK\$2.40 per Share and assuming full conversion of the Convertible Bonds, the Convertible Bonds will be convertible into 571,382,291 Shares (subject to adjustment), representing approximately 12.26% of the issued share capital of the Company as at the date of this announcement and approximately 10.92% of the issued share capital of the Company as enlarged by the issue of the Conversion Shares.

The following table summarises the potential effects on the shareholding structure of the Company as a result of the Bond Issue (by reference to the shareholdings as at the date of this announcement and assuming full conversion of the Convertible Bonds):

Shareholder	Existing (as at the date of this announcement)		Assuming the Convertible Bonds are fully converted into Shares at the initial Conversion Price of HK\$2.40 each

Notes:

* Excludes 105,912,033 Shares that are expected to be issued to the sellers of the vessels under the terms of the Agreed Purchases upon delivery of the vessels.

USE OF PROCEEDS AND REASONS FOR THE BOND ISSUE

The Convertible Bonds are expected to enhance the Group's balance sheet and liquidity position to support the organic expansion and renewal of its fleet. The Convertible Bonds are unsecured and non-amortising, representing an attractive and alternative source of longer term financing for the Company.

In addition, as the Convertible Bonds will not have an immediate dilution effect on the shareholding of the existing Shareholders, the Board considers that the issue of the Convertible Bonds is an appropriate means of raising additional capital for the Company.

The gross proceeds from the Bond Issue are estimated to be approximately US\$175 million (approximately HK\$1,371 million). The net proceeds from the Bond Issue, after deduction of approximately US\$1.6 million (approximately HK\$13 million) for management and underwriting commissions and selling concessions payable to the Joint Lead Managers, professional fees and all related expenses, are estimated to be approximately US\$173.4 million (approximately HK\$1,358 million).

The Company intends to use the proceeds primarily to fund the expansion and renewal of its fleet of Handysize and Supramax vessels as well as for general corporate purposes. Approximately US\$49.5 million of the proceeds is intended to be used as the cash consideration for the Agreed Purchases. The pace of fleet expansion and renewal will be governed by prevailing market conditions.

SPECIFIC MANDATE FOR THE BOND ISSUE AND SGM

The Board proposes to seek the approval of the Shareholders to grant the Specific Mandate at the SGM to cover the allotment and issue of the Conversion Shares upon exercise of the conversion rights attached to the Convertible Bonds. The Bond Issue and the allotment and issue of the Conversion Shares upon conversion of the Bonds are also subject to approval of the Shareholders at the SGM.

A circular containing, among other things, further details of the Subscription Agreement, the Bond Issue and the Specific Mandate, together with the notice of the SGM, will be despatched to the Shareholders as soon as practicable.

Completion of the Subscription Agreement is subject to the satisfaction and/or waiver of the conditions precedent therein. In addition, the Subscription Agreement may be terminated in certain circumstances. Please refer to the paragraph headed "THE SUBSCRIPTION AGREEMENT" above for further information.
